

FOR IMMEDIATE RELEASE

**OPTIMALTEST PARTICIPATES IN KOREAN TEST CONFERENCE
AS INDUSTRY SPONSOR**

NES ZIONA, Israel, June 8, 2009 – OptimalTest, a leader in providing innovative enterprise-wide software solutions for test operations management to the semiconductor industry, will be a Silver Sponsor of the 10th annual Korean Test Conference, hosted by the Institute of Semiconductor Test of Korea and held at the Seoul Education Culture Center on June 24.

In addition to exhibiting at the conference, OptimalTest will also participate in the tutorial sessions. Debbara Ahlgren, OptimalTest's Vice President of Sales & Marketing, will present a tutorial entitled, "Global Test Operations Demand Transparency and Automation for Rapid Leveraging of Data and Enhanced Competitiveness."

About OptimalTest

Established in 2005, OptimalTest provides comprehensive test management software solutions incorporating advanced adaptive testing techniques. The company's suite of software is unique for its breadth, incremental modularity, seamless connectivity and real-time capabilities. Its solutions allow adaptation and enhancement of test processes and operations through continuous automated learning, advanced adaptive testing techniques, and expertly culled data that is decision-ready. The results are significant improvements in yield, test time reduction, reliability and quality as well as reduced cost of test. OptimalTest has growing worldwide operations in Asia-Pacific, Europe and the United States. For more information, go to www.optimaltest.com.
